FAZENDA

RODIZIO BAR & GRILL

OUR UNIQUE

Concept

Your Fazenda experience begins with a visit to our gourmet sides bar featuring fresh vegetables, salads, breads, cured meats, continental cheeses and hot dishes, including our traditional Brazilian Feijoada (bean stew with meat).

Once you are ready for the meats, you control the service with a small double-sided card placed on your table. The green side signals the chefs to bring out skewers of sizzling meats one by one, while the red side indicates a resting point. To resume the service, simply display the green side again. Use the card to control the service to your own pace. There is a sumptuous selection of meats and the beauty is you can enjoy them all.
