# OUR UNIQUE *Concept*

Our heritage is at the heart of everything we do, so whilst we have had to make some slight changes to our concept, we are excited to bring you the exquisite flavours and traditions of our South American roots.

Enjoy continuous tableside service of the finest grilled meats, using your double-sided card to control the flow of meats at your own place. The green side signals the chefs (passadores) to bring out skewers of sizzling meats one by one, while the red side indicates a resting point.

To accompany your meats, we have created a sumptuous selection of both Brazilian and Argentinian side dishes that are served directly at your table.
